Item:

1: Range / Ground Preparation

It was agreed that we should look at starting to carry out the range preparation from middle of March 2021, or sooner if allowed, depending on covid restriction.

Tony Faulds highlighted some of the areas to be considered:

Grass Cutting: ranges first

Toilets: slabs to be laid, working party required.

Distance Markers: Once range layout agreed following covid decisions / restrictions known,

Target Stands: Our thanks to Tony for producing further new robust stands, and to Alan for donating his own personal stand. It was agreed the 3 old stands and integral bosses to be beefed up.

If there are other items under Range Preparation we will add to the list.

2: Archery GB: Big Weekend May 22-23

This event will be advertised by Archery GB.

The event will be run as a Have a Go. We are allowed to charge, and the club can keep the proceeds.

David suggested we put up sign at the entrance to the Ironwork Centre a few days etc in advance. Bob to register the event on Archery GB portal and to speak to Clive.

3 Competitions May – Sep

The committee discussed what competitions / event we would like to run between May – Sep 2021.

Following discussion, it was agreed to run the following:

Silver Dollar, Heritage, Metric Round, County Clout Shoot, probably other Come & Try It events

Items 4-9

Bob asked all those in attendance to think about these items and come up with some ideas for each of them and send the ideas through to him by Friday 5th March 2021. Bob will then collate them all and put them into plan under each heading for approval.

Meeting concluded due to Zoom time limit.
